

# Composition of the stakeholder reference group – the voices of different market participants

11.02.2021

Visit [nordicbalancingmodel.net](http://nordicbalancingmodel.net)

# Good representation from all stakeholders

- The members are representing all types of market participants
- Nordenergi has nominated companies and TSOs have invited also companies outside Nordenergi members
- NRAs and associations are represented
- Both NEMOs active in the Nordic countries
